Since 1994, the staff at Voice Solutions has provided adaptive hardware and software that reduce impediments to employment. They provide the most up to date adaptive equipment and services that include; voice recognition products and services, visually impaired programs, computer hardware & software, evaluations, installation, setup, training, and support. Voice Solutions' success has come from their ability to work closely with counselors in recommending the best solution for their clients. They provide the products and services needed for DOR return to work and school programs. These services are performed throughout California (travel expenses may apply).

ALL OTHER TERMS AND CONDITIONS OF THIS STATE PRICE SCHEDULE REMAIN UNCHANGED.
